

# FALLS CHURCH ACADEMY

## Student Parking Rules

Student drivers who are enrolled in the Falls Church Academy are required to display a valid parking decal in order to park on the Fairfax County Public School grounds. There is no fee for students who have purchased a decal from their base school, however, the paperwork (Academy Student Parking Rules, Application for Use of Private Automobile School Session and the Academy Transportation Agreement) is required and should be submitted to the Academy main office, room 186-1, along with the decal which will be copied and included in the student parking file in the Academy office. If the feeder school student driver has not purchased a decal from their base school, they will need to complete the paperwork and purchase a parking decal from Falls Church High School Safety and Security Office prior to parking on school grounds. The deadline to purchase for the 2019-2020 school year is Friday, August 30, 2019. The fee is \$67. Parking decals should be clearly displayed inside the vehicle and are only valid while parked in the East Lot, outside Door 4, at Falls Church Academy.

- Students agree to drive in a safe and cautious manner, giving pedestrians the right-of-way at all times while on Fairfax County Public School grounds.
- Your privilege to park is limited to the east lot of Falls Church High School, outside door 4.
- Reckless driving on school grounds may result in the loss of driving privileges and/or confiscation of your parking decal.
- NEVER pass loading or unloading school buses and/or cars while on school property.
- Obey signals or instructions by school personnel who may be directing vehicle traffic before, during and/or after school hours.
- Keep your vehicle locked at all times while on school grounds. Falls Church High School will not be responsible for any lost, damaged or stolen property while parked on school grounds.
- Students may not return to their vehicles during school hours unless that have received authorization and a pass from the Academy office or Counselor.
- Each vehicle parked on school grounds is required to have a valid Fairfax County Public School decal and registered with the Falls Church Academy office. Failure to do so may result in the vehicle being ticketed, booted and/or towed at the owner's expense.
- Students may not leave school grounds in their personal vehicle without prior authorization during school hours. Violation of this rule may result in disciplinary action and possible revocation of the parking decal. Unauthorized transport of other students may result in the same penalties.
- Vehicles that are improperly parked, blocking fire lanes or constitute a safety hazard are subject to being ticketed, booted and/or towed at the expense of the owner.
- Students are required to notify the Falls Church Academy office of any change in vehicle information.

**PARKING PRIVILEGES MAY BE TEMPORARILY SUSPENDED OR REVOKED FOR VIOLATION OF ANY OF THESE RULES AND REGULATIONS. REFUNDS OF FEES WILL NOT BE ISSUED.**
